From The Chairman Desk

"Education is the most powerful weapon which you can use to change the world."

-Dr Gita Ram Lavania

As the Chairman of Gyan Bharti College of Education, one of the most esteemed and the oldest college, I am honored to extend a heartfelt welcome to you all. Our institution stands as a testament to the power of education and the limitless potential of rural based teachers in Uttar Pradesh. Here, you will find not just a place of learning, but a community dedicated to nurturing intellect, fostering creativity and cultivating leadership in the field of education. Gyan Bharti College of Education has a rich history of empowering aspiring teachers to excel in their professional field since 2016 in the region.

Our mission is to empower you not just with information, but with all required skills.

Let us continue to build a culture where curiosity thrives, compassion leads and excellence is a shared pursuit.

With warm regards and unwavering belief in your future,

Dr Gita Ram Lavania

Chairman
Gyan Bharti College of Education

Principal's Message

Education is the complete development of the individuality of the child so that he can make an original contribution to human life according to the best of his capacity.

- Dr. Indra Narayan Dwivedi

It gives me immense pleasure to welcome you all to Gyan Bharti College of Education, an institution committed to excellence in Uttar Pradesh. As the Principal, I take great pride in leading this prestigious college that not only imparts academic knowledge but also nurtures the values, skills and passion necessary to shape the Human Being.

At Gyan Bharti College of Education, we believe in creating a dynamic and wide-ranging learning environment where future educators are empowered to think critically, act ethically and teach effectively. Our dedicated faculties, well-structured curriculum, smart classroom, and a blend of traditional and modern teaching methodologies ensure that every trainee teachers receives holistic development, academically, professionally and personally.

Apart from regular classes, we also emphasize timely internal evaluation, personality development, remedial teaching, morning assembly, co-curricular activities, community engagement and continuous professional development to equip our students with the confidence and competence to make meaningful contributions to the field of education. We are committed to ensuring that your time with us is enriching, rewarding and enjoyable. We are excited to see you grow into educators who will inspire the next generation.

Dr. Indra Narayan Dwivedi

Principal,
Gyan Bharti College of Education

About The Institution

Gyan Bharti College of Education

Gyan Bharti College of Education is well reputed college of Agra, Uttar Pradesh. It was established in 2016 under the aegis of Gyan Bharti Shiksha Samiti, Jangjeet Nagar, Rajpur, Agra Uttar Pradesh. The college is very well connected to rail and road transport. Nearest railway station, Agra Cantt is just 9 km away from the college campus. This dynamic, choicest and co-educational college is well recognized by Dr. B. R. Ambedkar University Agra. It offers full time courses of B.Sc & B.Com.

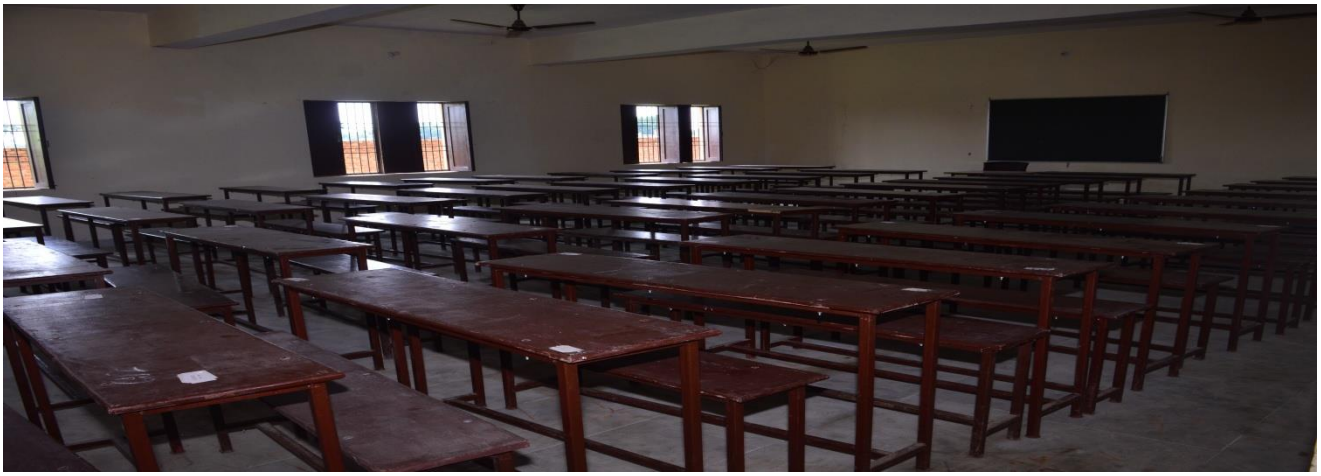
One of the major features of Gyan Bharti College of Education is providing all essential facilities to the employees and students. The institution has a pool of competent teaching staff to impart quality education and effective training to the students. We have 700 students from different backgrounds in B.Sc & B.Com course studying in the college.

Academic Infrastructure

A well-developed academic infrastructure in a teacher training college is crucial for fostering effective teaching and learning process. It provides the necessary physical and technological resources for students to develop the essential skills and knowledge required to become successful. All such facilities contribute to a more engaging and productive learning environment. Gyan Bharti College of Education has all the academic infrastructure and facilities to meet the quality standard. The college is well resourced with all modern technical gadgets. Well-furnished and spacious classrooms, smart classrooms, library, science lab, ICT lab are the basic infrastructure of the college, where students get equipped with knowledge and skills necessary to become successful. Sports facilities are available in the college premise itself. A physical fitness room is present their in the college to maintain the physical health of the students.

COLLEGE BUILDING

Classroom:



Multi Purpose Hall with ultra modern LCD Projector:

The college has a spacious and well ventilated Multi Purpose Hall equipped with ultra modern LCD projector where different institutional functions are organized. This M P Hall is well furnished with a seating capacity of 150 persons at a time. Students and faculties use this hall for Power Point Presentation on different parts of curriculum.

Library:

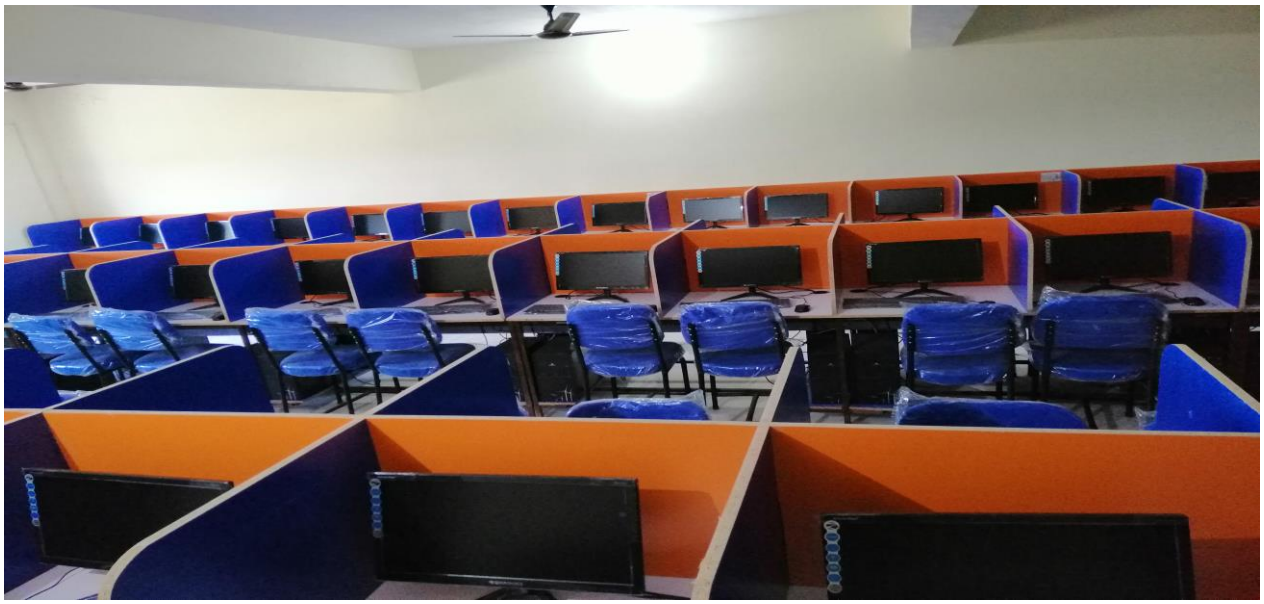
The college has a library with more than 5000 books and periodicals. The library has text- books, reference books, education Encyclopedias, online reading facility, CD-Rooms, National and International Research Journals, NCERT books, novels, specified literature etc. It can be used by the pupil-teachers to become very effective educators. It has 100+ seating capacity at a time. The library has different sections like: circular section, periodical section, reference section, newspapers and magazine section, managed by professionally qualified librarian. Library opens from
10.00 AM to 04.00 PM on all working days.

Science Lab

Well-designed science lab equipped with all modern apparatus is there where students can do experiments, enrich their knowledge and can do experiments under the superlative observation of their faculty.

ICT Lab:

The college has well-furnished and fully functional ICT lab with broadband connection to get expertise in working on computer. The lab has having 50 computers for the students. All the computers are Multimedia enabled and are connected to high speed internet. Students learn multiple uses of computers in the ICT lab according to their curriculum. They do make power point presentation on the given topic and complete their projects. Thus the college is making them ICT friendly to cope with changing world.



Medical Facility

The college has a very good medical facility within the campus to take care of the health of teaching, non-teaching staff and students for free. As there is a hospital running in the campus, medical facility is always available to all needy of the college. Apart from presence of hospital in campus, there is a medical room in the college building itself to provide immediate first-aid help.

Faculty Staff Room:

A very spacious faculty staff room is there in the college with 23 faculty seating capacity. Apart from separate faculty rooms, there is big and specious faculty staff room where all the faculties sit together and discuss on any academic topic. Group discussion on any academic topic; enhance the knowledge of every faculty.

Safe and Secure Campus Environment

Safety and security are given prime importance. We have a very safe and secured campus environment for all students. Security guards are present twenty four hours and CCTV cameras are installed everywhere. All the Pre-service teachers have to show their college Identity Cards for entering into the campus. They also have to take written permission for going outside, sign on exit register and also have to do punching necessarily. No outsiders can enter in the campus without permission.

Personality Development:

The college is committed to develop all round personality of all the prospective teachers studying here. We provide special sessions for critical thinking, problem solving, mindfulness, managing emotion, social skills, we make all efforts to develop the personality of our students like: English language speaking, soft skills, body language management, stress management, facing audience, effective presentation skills etc. Gyan Bharti College of Education is well determined to bring all-round development of student-teachers by arranging weekly and monthly seminars, workshops, debates, group discussions, games & sports etc. College emphasizes to develop effective teachers of tomorrow by organizing all round personality development activities.

Cultural Activities:

Cultural activities provide ample opportunities for Pre-Service Teachers to develop skills such as leadership, cooperation, team work, creativity and expression, social abilities, time management, problem solving and many more. The college is determined to inculcate such skills among all the students through cultural activities. These include events like: weekly seminar, workshops, celebration of culturally important days, dance, drama, music etc. Every year Induction day is celebrated to welcome the freshers by the seniors and also juniors give farewell to the seniors. The college celebrates all the important national and international days with great enthusiasm. As a tradition the college celebrates all famous festivals like Holi, Diwali, Durgapuja, Christmas, Eid, Guru Parva etc. with great vigor and joy.

GYAN BHARTI COLLEGE OF EDUCATION
(D.El. Ed.) OPP. NALANDA TOWN, RAJRAI AGRA

BHARTI COLLEGE OF EDUCATION

Drawing and Painting Competition:

To develop aesthetic senses amongst the students, drawing and painting competition are organized by the college. It develops creativity, self-awareness, stimulated imagination, emotional expression of self, cultural awareness and generates rational thinking among the students. The winners are always awarded by the college with certificates.

Plantation:

Gyan Bharti College of Education has been extending its efforts to save the environment though plantation programmer. It has been meticulously planned that every Teacher-Educators as well as all the student-teachers of the college will adopt a plant on his/her name on the land provided by Gyan Bharti group of institutions in the campus. Every grown up individual plant will express their thanks through its green leaves to that particular individual who had planted it as a sapling.

Sports Facilities:

The college is determined to shape the overall personality, health and fitness of students therefore the institution lays considerable emphasis on students' participation in games, sports and related track and field activities. Institution has a spacious ground for cricket, football, volleyball, badminton, Kabbadi, kho-kho and others. The college organises 'Sports Meet' every year by following university guidelines. The physical education faculty does take extra care of organizing games and sports in the college.

Internal Assessment

Internal examination held twice in a year to maintain the learning continuity of the students. Appearing in the internal examination is compulsory for all students. Marks obtained in internal examination have credit and added in their result. Every students must have 80% attendance is compulsory to write in the theory examination and 90% attendance in practical papers. The college is very much particular about internal assessment of the students and strictly follows the norms and guidelines of the affiliating body. The main focus of internal assessment is to measure the progress of students, making them ready for final examination, skilled them in time management, to assess self-improvement etc. All these aspects contribute in getting very high score by the students.

Student's Conduct, Attendance, Discipline, Misconduct:

The college is very much strict on the matter of discipline in the campus. All the students of the college will be under complete disciplinary control of the college. Students must conduct themselves in accordance with disciplinary rules set up by the college. Anything against ethics of discipline can't be tolerated in the campus.

The following rules shall apply on all the students of the college:
